

Jane Petra Scott | Senior SAP Functional Analyst

Düsseldorf, Germany | +49 160 9501 5013 | 0000japs@gmail.com | LinkedIn

Professional Summary

Senior SAP Functional Analyst with **16+ years** of experience in retail and public sectors. Expert in **SAP CAR (POSDTA), IS-Retail, and Systems Integration**. Proven ability to architect and support complex data environments for global retail networks (**3000+ stores**), running **24/7 across multiple time zones**. Specialist in bridging technical SAP capabilities with business strategy through Agile methodologies.

Core Competencies

- **SAP Specialization:** CAR (POSDTA), SD, IS-Retail, PSRM, Case Management, IS-U.
- **Integration:** SAP BODS (Data Services), ETL Mapping, HANA Calculation Views, IDoc/APIs.
- **Methodologies:** Agile/Scrum (JIRA), Prince2 Practitioner, Cyber Security, Technical Design.

Key Experience

SAP Functional Analyst | Shoprite Group | 2017 – Present

- Lead analyst for **SAP CAR, SD, and POS Data Integration** across a global retail network of **3000+ stores**, including large-scale **store roll-outs**.
- Architect and support critical retail processes: Forecasting (UDF), POSDTA, and Inventory Visibility.
- Manage end-to-end integration with GKPOS, Hybris, and SAP E-commerce Cloud via **SAP Data Services (BODS)**.
- Optimize system deployments using SAP Solution Manager and JIRA in a high-velocity Agile environment.

SAP Test Analyst | Shoprite Group | 2016 – 2017

- Orchestrated end-to-end integration testing for SAP CAR and Retail implementations.
- Validated store procedures including sales processing, stock-take, and goods movement.

SAP Functional Analyst | ALDI DX | 2023 – Present

- Lead solution design and implementation for the **S/4HANA Global Template** across a 24/7 retail landscape spanning the US, Europe, and APAC, supporting global operations across time zones.
- Harmonize global business processes while ensuring country-specific legal compliance.

Managing Partner | C'Alliance Consulting | 2014 – 2016

- Directed the development of a custom Public Sector Records Management System.
- Innovated SAP search functionality with "Google-like" indexing for enhanced user experience.

SAP Functional Analyst | Lotterywest (AU) | 2012 – 2014

- Executed a large-scale replacement of HP TRIM with **SAP PSRM**.
- Managed legacy data migration and end-user training for 200+ users.

Education & Accreditations

- **Cyber Security Certificate** | F'SATI / CPUT (2018)
- **PRINCE2 Practitioner** | Projects in Controlled Environments
- **AIIM ECM Specialist** | Electronic Content Management
- **JIRA Essentials & SAP FIORI Overview** | Professional Certifications

Early Career (2009–2012)

- **SAP Functional Analyst | EOH**: Delivered CRM Case Management and Billing solutions for the Cities of Johannesburg and Cape Town.
- **Project Coordinator | ZNIX**: Managed logistical deployments for 3G infrastructure across Africa (Ericsson/MTN).
